Greetings:

I want to extend a very cordial welcome to those of you who have come to this first home football game of the 1958 season. Your attendance here this evening is appreciated by the team, by the coaches, and by the college.

For many years Fort Hays State has emphasized high type athletic competition. This year will be no exception for our coaches and players are striving to bring you clean, hard fought games.

We have confidence that the 1958 football squad will perform in such fine fashion that you will be anxious to share the pleasure of seeing them in action in every game.

Your fine support is most important in making it possible for Western Kansas to be represented in college football competition by a first class team.

M. C. Cunningham
President

Welcome, Bearcats

by Norris "Scooter" Hale
Sports Publicity Director

Tonight's contest marks the ninth time that the Bearcats from Northwest Missouri State College of Maryville and the Tigers from Fort Hays State have met on the gridiron.

Since both head coaches, Wayne McConnell of Fort Hays State and Paul Turner of Maryville, have been good friends for the past ten years, this game should be most interesting. Mr. Turner is not a stranger to Fort Hays State since he spent three years as backfield mentor at Washburn University and the Ichabods won two of those three contests with the Tigers.

As high school coaches in 1949, McConnell and Turner opposed each other on the gridiron as they coached at Manhattan and Abilene, respectively. Manhattan came out on the long end of the score and McConnell moved on to College of Emporia while Turner went to Highland Park High School. Since coming to Fort Hays State in 1956, Coach McConnell's gridders haven't lost to the Bearcats in two meetings.

Most Sunflower state grid fans remember Mr. Turner as the young man who booted the field goal that beat Oklahoma 16-14 in 1946. The Sooners haven't dipped their colors to a conference foe since that loss occurred.

A retrospective glance through the archives reveals that Fort Hays holds a 6-2 edge in the win column in the modern series. Game history:

1950—Fort Hays, 21-14
1951—Fort Hays, 20-7
1952—Maryville, 7-6
1953—Maryville, 21-7

1954—Fort Hays, 20-7
1955—Fort, Hays, 27-13
1956—Fort Hays, 19-13
1957—Fort Hays, 40-27
